Letter No. 2380 dt 25th April 1903, from the Examiner, P. W. Accounts, enquiring whether it would be possible to furnish him again w space on the ground floor of the Public Offices, for his records.-

Note

The Stamp Department was in pressing need of a room close to the Stamp Manufactory on the ground floor of the Public Offices. The room adjoining the Stamp Manufactory, which contains the old records of the Examiner's Office, had to be utilized by giving another room for the Examiner's Records. This was in 1897.

Now that the Revenue Survey Office is about to be vacated, the Examiner enquires whether it would be possible to furnish him again with space on the ground floor, for the Records of his Office, as the room at present occupied, besides being somewhat small, is a considerable distance from his Office, & this he adds is a cause of continued inconvenience.

With reference to Government
Proceedings No: 7908–11 / L.B. (P) 1082 dated 22.11.1901
directing the removal of the Police Inspector
Generals' office from the Fort Palace buildings
to the Cola Lodge, on payment of a
monthly rent of Rs 53/-. I have the
honor to report that in the said building
one Hall and two rooms are allowed for the
use of my office which is quite insufficient
for its requirements. There is no place
to arrange and to keep records in proper
order. A portion of the records is kept near
the stairs, and others are bundled up and

kept in a room which cannot be used for office. A greater portion of the records and registers were left in the Fort Palace buildings and as the rooms were required by the Health Officer, the registers and records had to be removed to the School rooms in the Special Reserve Lines. This room will also be required, as it is under contemplation to reopen the School in the early part of January as proposed in my letter No: Camp 6 dated 5:12:02. There is no place available for keeping of the records which badly required to be sorted and arranged. Accommodation has also to be provided for the Anthropometry Office which has at present three big Almirahs containing finger impression cards. These are now kept in the up stairs in the Colahodge. There being no place for the Stores in this building, it is kept in the Fort. This arrangement is very inconvenient for the efficient discharge of work in the Stores. I beg

that under these circumstances You will be so good as to place at my disposal in the Central Public Office for the use of my office the rooms that will be vacated by the Survey Records after their removal to New building under construction until then, to permit me to rent a more suitable building for my office and stores and Anthropometry office on a reasonable monthly rent.

Sir,

Office of the Inspector General of Police in Mysore,
Dated, Bangalore, 28th January 1903.

I have the honor to invite reference to this office letter No: 2916/216 of the 27th ultimo regarding my office accommodation and to state that since writing the above two Plague stricken dead rats were found on two successive days in the office in consequence of which the office had to be vacated and disinfected. A tent is now used for holding the office in the same compound. Owing to the narrow staircase, it was not possible to remove all the heavy records and furniture from the first-floor for

for being exposed to the sun & rain could the rooms be thoroughly disinfected. I have already explained in my previous letter the want of accommodation and the inconvenience which is felt in having the Police stores, and old records in a separate building apart from the office. —

Accommodation has also to be provided elsewhere for the old records and registers removed to the Training School rooms, as no place will be available for the School, for which sanction of Government is awaited.

The Census office establishment having been curtailed, I understand there is enough of accommodation in the bungalow in the High Ground rented for the Census office both for the existing staff of the Census Department and any office for the present, and should the Government be pleased to hand over the building to my charge after the Census office is closed, I shall be able to concentrate the other branches of my office, viz, records and Police stores in one and the same building, the rooms now used for the stores being

being made available for the Training School and District Police School which as at present represented has no accommodation.

It is unnecessary for me to dwell upon the importance of having the different sections of an office in one and the same building. The bungalow which I have now proposed to occupy is situated in a very healthy locality, and will surely tend to improve the health of my poor officials whose health has suffered very much owing to the insanitary and ill-ventilated buildings where they were forced to work.

Under these circumstances, I request you to be so good as to move the Government to accord early sanction to my proposal. If however the rooms in the Public Office which are now in charge of the Survey Department can be handed over to me after the new Survey office building is completed, I shall not urge the Government to approve of the above proposed arrangement.

SIR,

I have the honour to inform you that since October 1899 when my office was removed from Mysore to Bangalore, it has been accommodated in four rooms of the old Plague office on the ground floor in one corner of the District office building at Bangalore. Of the four rooms two are very small, which besides accommodating the office tables and other necessary furniture for the Inspector General and his Assistant leave hardly room enough for receiving more than one visitor at a time. I have no suitable place for receiving important visitors who do me the honour of calling on me at the office. Of the two remaining rooms, one is a narrow room filled up with the records arranged on tall racks which hardly leave space for walking between. In this room the Record-Keeper and the Registering clerk do their work. The fourth room contains the tables of the manager and 11 writers with their registers,

the stock of office stationery, printed forms, some old records, and an iron safe. This room also is over-crowded, and printed forms and books for distribution to school libraries have often to be heaped up on the floor for want of space for racks on which they could be placed. All this crowding greatly adds to discomfort of the office establishment and the untidiness of the room. There is at present hardly any accommodati for the typist or for confidential work of any kind. Moreover the large office room is badly lighted and on cloudy days lamps have to be lighted between 3 and 4 P.m.. This office has to do hard and unremitting work, and the present discomforts of inferior accommodation if continued longer are likely to tell on the health of the officials and the quality of their work. I request that His Highness' Government may be pleased to provide accommodation for this office in the rooms below the Chief Court in the Central Public Office as soon as the Revenue Survey office is removed to its new building, with a room if possible for the Inspector General in the Central block of the second floor where it was before the office was transferred to Mysore in 1894.

~~THE~~ SECRETARY TO THE GOVERNMENT OF MYSORE,

Sir,

Adverting to Government Proceedings No: 544-5/j Dated the 2nd: September 1903, I have the honor to state that the terms offered by Mr: Veerasami Mudliar for his Bunglow for the accomodation of my Office, were not acceptable in as much as he asked for an advance of 3 months rent and required all petty repairs to be executed by us. The building was therefore not taken up but in its stead the late Mr: Narahari Rao's Bunglow in the Fort has been engaged from the 6th: instant on a monthly rent of Rs: 55/- subject to increasing the same to Rs: 75/- from the 1st: of July next.

The building is in excellent condition and is situated in a fairly healthy locality.As it is close to the Police Stores, the Reserve Lines and the Police Training

School

School, it is in every way convenient for locating my Office. Ther is more than amble accomodation for my Office.

The increased rent of Rs: 75/- is in view of th accomodation available and of the convenience of the locality hardly said to be unreasonable. I therefore request that you will so good as to move the Government to sanction the increased rent o Rs: 75/- from the 1st: of July 1904.

Maharaja of Mysore in the General and Revenue
Department

Sir, Reference :—

Government Proceedings No. 1587-8/J dated 10th February 1904 sanctioning the taking over of Mr. Narahari Rao's Bungalow in the Fort, for the Office of the Inspector General of Police, on a monthly rent of ₹55/-, till the end of June 1904, and thereafter at ₹75/-.

I have the honor to state, that under the terms of the lease approved of by Mr. Madiah, the landlord was allowed the use of three rooms in the block of buildings attached to the main building. Both from the landlord's, and my office point of view, this is a very unsatisfactory arrangement ; and seeing that these extra rooms might with advantage be turned into Store Rooms for Police clothing, Arms, and accoutrements, instead of having the Stores in the Reserve Lines as at present, I would strongly commend the whole building with all the outhouses being rented from the landlord.

Mr. Lakshiminarasimha Rao, the owner of the Bungalow, agrees to place the whole building at our disposal, if the rent be raised to ₹80/- per month.

As the situation of the building is most convenient for Police purposes, being next to the Parade ground, and

Police Lines, and as the building is in excellent repair, and is spacious enough to accommodate the Police Stores in addition to the Office, I consider the rent of Rs 80/- per mensem as not excessive.

The building in which the Police Stores are now located is in a state of disrepair, and is further, most unsuited for our requirements.

The Dewan, who kindly paid a visit to the building, and the Police Barracks, approved of the arrangement suggested above.

I, therefore, request that you will be so good as to obtain the sanction of Governemnt to the enhancement of t rent from ₹55/- to ₹80/- from the 1st of May next.

The additional cost of ₹25/- per month that this proposal involves will be met for the next 2 months from the allotment under " Equipment and clothing ".

I have the honor to be,

Sir,

Your most obedient servant,

Inspector General of Police.
